

XLVIII SPARTACIADE FOR STUDENTS WITH HEARING PROBLEMS

I THE AIM

1. To promote physical activities and sports as well as to improve sports results among students with hearing problems.
2. To develop international links and friendship among special schools for students with hearing problems in the Baltic States.
3. To reward the best athletes and the best teams on particular sports events.
4. To determine the best athlete among all deaf students.

II PLACE, TIME AND ORGANISATION OF SPARTACIADE

1. 48. spartaciade will be settled in Estonia on the **20th-22nd April 2018** in Tartu. Competitions will be in:

- basketball
- swimming
- chess
- draughts
- table tennis

The day/time for arriving for participants is on 20 April 2018 at 13.30

The day/time for departure is on 22 April 2018 at 14.00

2. Responsibility for organisation of the spartaciade is taken by the special Organising Committee that includes members of professional education institutions and organisations.
3. The regulations of the XLVIII spartaciade for students with hearing problems are drawn based on the 'Requirements for organising of the competitions for students with hearing problems in the Baltic States', accepted 1983 (supplements made on 1975, 1980, and on 1981).

III PARTICIPATION

1. An eligible participants for the XLVIII spartaciade are students from Estonia, Latvia and Lithuania who are **born in 1999 and earlier and** have acceptable marks at school and don't have any problems of behaviour.

The same regulations are provided also for students with speech difficulties from Taru Hiie School (Estonia). However, the number of students from Tartu can't exceed 25 % of the total number of participants from Estonian team.

Each student can participate no more than in two (2) sports events.

2. Team members

<u>Event</u>	<u>Girls</u>	<u>Boys</u>	<u>Coaches</u>
Basketball	8	8	1
Swimming	6	6	1
Chess	2	2	1
Draughts	2	2	
Table tennis	3	3	1

Total number of participants in the teams is 35 persons (30 students- 15 girls/15 boys, 4 coaches, 1 chief of the team).

IV ORGANISATION OF COMPETITIONS

- Competitions on each sports event are organized by official regulations of the particular sports event.
- **Basketball**- teams are playing in round system.
Counting system:
 - Win- 2 points
 - Fail- 1 point
 - Reverse – 0 point

The team having largest amount of points is a winner team. In case of equal amount of points between two possible winner teams, the winner team is determined by counting of difference in successful and unsuccessful throws during games.

- **Swimming**- programm both girls and boys:
 - Free style 100m
 - Free style 50m
 - Breast stroke 50m
 - Backward 50m
 - Relay (free style) 4*50m

The team where participants have gathered the most amount of points, is the winner team. In case of equal amount of points for two or for more teams, the best team is determined by counting of the I-st, II-nd, III-rd places.

The total result of the team consists of two best results of each team on each event and the result on both relays. Each swimmer can participate no more than in three swimming events and in the relay.

I place- 15 points, II place- 12 points, III place- 9 points, IV place- 8 points etc.

- **Table tennis**- teams are playing in round system.

21 game has to be played between two teams: 9 single game for girls, 9 single games for boys, 1 pair game for girls, 1 pair game for boys, 1 mix- pair game.

Counting system:

- Win- 2 points
- Fail- 1 point
- Reverse- 0 points

Team having largest amount of points is a winner team. In case of equal amount of points between teams, an additional pair game might be played. Results of competitions played at home are required to submit at the mandates committee of the spartaciade.

- **Chess**- teams are playing on rules of the round system.

For reconsideration player can spend 1 h 30 min for 39 moves and then 15 minutes for each move till end of the game.

Counting system:

- Win- 1 point
- Fail- 0 points
- Drawn game- 0,5 point

The team having largest amount of points after games is a winner team. In case of equal amount of points between two, or three teams, the first prize is awarded to the team which has had:

- The most amount of wins
- The best individual results
- The best results on the board starting from the first move

- **Draughts**- teams are playing on rules of the round system

For reconsideration player can spend 1 h.

Counting system:

Win- 1 point

Fail- 0 points

Drawn game- 0,5 points

The team having largest amount of points after all games is a winner team. In case of equal amount of points between two, or three teams, the prize is awarded to the team which has had:

- The most amount of wins
- The best individual result
- The best result on the board starting from the first move

V AWARDS

- Individual winners will be determined in such sports events as swimming and table tennis. In other the best teams will be awarded.
- First three of all participants in individual events will be awarded with diplomas. Participants of winner teams will be awarded with diplomas, too. Athletes who have performed high results in swimming will receive individual awards.
- Following suggestions of referees, some athletes who have performed good results on other events, could be awarded with souvenirs.

VI RECEPTION OF PARTICIPANTS

- Organization Committee of the XLVIII spartaciade will cover all expenses concerning accomodation and meals for all visitors during competition.
- Travel expenses must be paid by participant organisations.
